One week before Workshop starts:

Monday before Wokrshop:
Prepare big batch, activate Grains which have been kept in the fridge

Wednesday before Workshop:
Check if enough tickets are sold, otherwise cancel the Workshop
If enough tickets are sold for friday:
Prepare 6 different WK to taste at Workshop:
      Ginger
      Rose Tea/ Smokey Tea
      Fruit Juice
      Hydrosol

Make 15L Batch for Workshop

Thursday before Workshop:
      Get 2nd Ferment out of inkubator, burp and chill

Before the Workshop starts: **1-1,5 h earlier**
Friday before Workshop:
      1 Coat Hanger in Round Table Room

Tuinkamer:
Make one table out of 2 beer tables and set up enough chairs
      Put a glass for water, and 3 glasses for tasting per person, prepare a tray
      Put WK Starter Kit for each participant
Prepare 2 glasses filled with WK grains to pass around during Workshop
Set all the tasting bottles in the middle of the 2 beer tables (6 of a kind)
Sliced dried figs as example to pass around
Use 1st batch to explain process of 1st fermentation
1 beer table is for the pouring station in the back of the Tuinkamer
Turn on the heater
Set up the Television:
      PC Setting
Get the speaker pill out of the clean lab if not in Tuinkamer
Open two videos on your laptop and make sure the sound works
      Get your script and charger and put it next to Laptop
Open PDF Presentation

Get the small first ferment batch as example to show!
Get big WK Batch from Cleanlab (with help!)
Put on pouring-station table (left hand side, tap shows towards slide door)
Cut ingredients for flavouring station

- Ginger (one whole root, wash it properly and rub the skin)
- Either pineapple or apple or pear or juice
- Organic lemon, rub and wash peel properly!
- Fresh Rosemary (4-6 sticks) shortly brew it in hot water
- Spices: Cardamom (20 pods)
-                    Black Pepper (hand full)
- Dried fruit like Mango or Raisin
- Brew some strong rose tea and sweeten it (50 ml per person, 5g sugar)

Prepare Funnel, Soup Ladle and Sieve next to big batch
2 cloths and tea towel somewhere near but hidden
Refractometer

Prepare scanner and IPad for scanning ect
Login to the Stager App to scan tickets under Check-In

Workshop Starts:

Welcome Guests and offer them a glass of water
